SPECIAL INSTRUCTIONS CHECK CASHIER APPLICATION

This is an application for licensure as a check cashier pursuant to the New Jersey Check Cashers Regulatory act of 1993, N.J.S.A. 17:15A-30 et. seq. In part, this law provides that “No office or mobile office shall be located within 2,500 feet of an existing office or mobile office, that distance being measured as the radius of a circle with the entrance to the existing office or mobile office considered as the center point from which the radius is measured.” Since there are no exceptions to the geographic restriction, this issue must be carefully reviewed to determine the viability of submitting an application. All applicants must submit a certified survey clearly establishing the distance between your proposed address (in the case of mobile offices, each proposed mobile stop) and all other licensed check cashers, both stationary offices and approved mobile office stops, both in the city where the proposed branch office is to be located and in any surrounding contiguous communities that might fall within the 2,500 foot radius.
